### Round Round Get Around Dining, Friday July 10

### Round Round Get Around Dining

Fri 10

It can get humid in the summer. Who wants to enter a restaurant hot & bothered? Hop on a bus for free or for .50 in the downtown zone (which includes the restaurants just across the river) The QR code at the left will open the local bus line maps to point you in the right direction.

Newly Opened:

Ono Hawaiian Plates: 337 N Washington Ave Ste 100 Minneapolis, MN 55413 (808) 365-8802 sizzling kalbi ribs, whole fried snapper and lumpianadas (Filipino empanadas)

Parcelle Organics: 800 La Salle (ground level, West side between 8th & 9th) Intriguing & beguiling menu, 7:30am-3pm "Food as Nature Intended". TimberWolves Rudy Gobert has recently invested!

Closed: Borough, Cardamom, Momo Sushi

### Round Round Get Around Dining, Saturday July 11

### Round Round Get Around Dining: Eat Street

|                                                                                                                        |                                                                                                               |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |

| <p>Fri 10<br/>Hop on<br/>the bus</p>  | <p>Sat 11<br/>EatStreet</p>  | <p>The metro ICE surge in January put a big hurt on the Twin Cities, but particularly along those restaurants Eat Street. Immigrant restaurant staff were afraid to come out and guest patronage was damaged all over. Alex Pretti was killed in the heart of the district and a memorial remains. The Greek restaurant, Christos, became somewhat of a MASH crisis center that day (link) <a href="https://www.bizjournals.com/twincities/news/2026/03/30/perspectives-recovering-operation-metro.html">https://www.bizjournals.com/twincities/news/2026/03/30/perspectives-recovering-operation-metro.html</a> Meet Mpl. Staff near your hotel concierge desk will assist you with reservations, etc. <a href="https://mspmag.com/eat-and-drink/dining-tour-eat-street/">https://mspmag.com/eat-and-drink/dining-tour-eat-street/</a> has a complete rundown.</p> |
